## *Synopsis*

In *The Legion of Christmas Doom*, a band of Christmas misfits, led by the Grinch, convene to hatch their latest scheme to ruin the festive season. With members like Mother Nature, Santa's brother Dave Claus, and a host of villains, the group's chaotic meeting spirals into hilarity as they bicker, share outlandish ideas, and attempt to turn their grievances into a credible plan.

When two new recruits, Dixie the elf and Comet the reindeer, join the fray, they bring Santa's iconic hat and Mrs Claus's magical spoon as proof of their rebellion against the North Pole. However, the group's ambitious Trojan gift plot to infiltrate Santa's Grotto soon unravels when Dixie and Comet's true loyalty to Christmas is revealed, leading to a frantic chase to stop them from foiling the plan.

The script has also been adapted to a 9 character script for those who have smaller group sizes.

*Have fun with it!*

# THE LEGION OF CHRISTMAS DOOM

*11 Character Script*

Written by Ian Breeds

*Scrooge, Mother Nature, Dave Claus, Trixie, Rudolf, Krampus, Mrs Oogie Boogie & the Abominable Snowman stand about the stage chatting to each other. The Grinch enters*

GRINCH

Everybody take their seats, no time  
for small talk, we need a plan, we need  
a plan, we need a plan!

*Everyone takes their seats*

GRINCH

Let's begin the annual monthly  
meeting of the Christmas Legion of  
Doom!

*Everyone cheers*

SCROOGE

As you all are unpleasantly aware  
Christmas is nearly upon us and we  
have yet to come up with a credible  
plan to ruin it!

MOTHER NATURE

I set up online Christmas cards that  
you can send via email, you can also  
send funny videos. It shall one day  
stop the need to cut down trees for  
pointless Christmas cards that get  
thrown away a few days after  
Christmas!

OOGIE BOOGIE

I love that rage and anger inside you  
but can we focus it towards a short-  
term goal, like how we are going to  
ruin Christmas within the next few  
weeks...

TRIXIE

I have some new recruits that might  
be able to help us. May I introduce to  
the group Dixie and Comet

KRAMPUS

Wait one snowy second! You work for  
Santa Claus

TRIXIE

They used to work for Santa, not  
anymore

ABOMINABLE

I don't trust a squeaky little word  
those North Pole invaders have to say

*Every agrees with Abominable. Then Dixie throws Santa's hat onto the table followed by a wooden spoon that Comet throws down*

DAVE

Is that what I think it is?

*Dave picks up the Santa hat*

DAVE

It's Santa's lucky hat, he's worn it  
since the beginning of Christmas

*Rudolf picks up the wooden spoon*

RUDOLF

You have to be kidding me, I don't  
believe it, it can't be

KRAMPUS

What's so special about a wooden  
spoon?

COMET

It's not just any wooden spoon, it's  
Mrs Claus' magical candy cane  
wooden spoon

*Everyone gasps*

KRAMPUS

Tell us why you left?

DIXIE

Because it's not a wonderland, it's a  
sweat factory. Working all year round  
and for what? To live in the freezing  
cold, to get paid in maple syrup and  
sweet treats, not to be properly  
respected by big red. I'm the only elf  
he never took on his sleigh
