Synopsis

In *The Witches Who Found Christmas*, a coven of witches, led by the spirited Angela, gather reluctantly to explore the festive traditions they usually despise. While most of the group would rather curse a goat than spread holiday cheer, Angela insists on introducing them to Christmas customs like mistletoe, carolling, and gift-giving.

As the witches hilariously fumble through these unfamiliar rituals, their initial scepticism gives way to an unexpected sense of joy and camaraderie. Though some resist the festive spirit, others embrace the magic of giving and find themselves questioning their long-held disdain for Christmas.

Have fun with it!

NARRATOR

Now this little story is all about the less fortunate at Christmas, those people who have no family to see. No friends, those who have lost the meaning of Christmas, this story is called... the Witches Who Found Christmas.

Three witches, Sabrina, Medusa & Griselda enter from down the aisle and stop at the front

MEDUSA

Did she say why she wanted us to gather at hers?

SABRINA

She didn't tell me

GRISELDA

Me either

SABRINA

I usually just hibernate this time of year

GRISELDA

You and me both

MEDUSA

It's so horrible, I hate it. Everyone is so happy, it makes me unhappy and I don't like that

GRISELDA

Uh Christmas, if there was a spell that could cancel Christmas I would give my left hand for it

SABRINA

Why your left?

GRISELDA

Because I cast spells with my right

SABRINA

Maybe it's something we should look into

MEDUSA

Come on let's go, you know what
Angela gets like when we're late

SABRINA

I hope Zelda isn't going to be there, I
can't stand her!

Sabrina, Medusa and Griselda walk onto the stage and behind the curtains

*Angela sits on stage. The doorbell goes, she gets up and walks off stage, Sabrina,
Medusa and Griselda enter back on with her.*

GRISELDA

Spill what's this all about

ANGELA

You have to wait until all the others are
here

SABRINA

What others?

ANGELA

Hilda, Roberta and Zelda

SABRINA

Who?

ANGELA

Hilda, Roberta and Zelda

SABRINA

Zelda, did you just say Zelda?

ANGELA

Uh hu

SABRINA

Zelda? Right, that's it I'm out of here

ANGELA

No you are not, sit your bottom down

ANGELA waves her wand and makes SABRINA sit

SABRINA

You know I don't like people using
magic on me
